

## 2009 National AGC Safety Awards

### Why You Should Participate:

The National AGC Safety Awards (NASA) program has been an ongoing effort since 1991 to offer AGC members an opportunity to evaluate their safety record. Participating contractors receive a confidential printout to compare their company's safety statistics with similar size and type AGC contractor members both locally and nationally. NASA provides a great opportunity for contractor members with excellent safety records to compete for nationally recognized awards. Additionally, this information can be used to assist in determining if additional accident prevention and loss-control measures are necessary.

### Who Can Participate:

AGC contractors **with direct-hire, job-site craft labor** are eligible to compete in one or more of the following categories:

- Building
- Highway
- Associate/Specialty
- Federal & Heavy
- Municipal/Utilities

### How the Program Works:

This program is similar to the Bureau of Labor Statistics and Occupational Safety and Health Administration (BLS-OSHA) recordkeeping systems.

The data is tabulated to produce total lost workday case incident rates (excluding restricted workdays). The formula for computing "incident" is structured to multiply the incident cases involving days away from work (N) times 200,000. The resulting product is then divided by the work hours of exposure (WH). The formula is the days away case incident rate.

The formula follows:

$$\text{Days Away, Case Incident Rate} = \frac{\mathbf{N \times 200,000}}{\mathbf{WH}}$$

(WH) is the number of work hours for the calendar year 2009 (including office hours). N is the number of days-away-from-work cases, which represents the number of cases resulting in days away from work, but does not include job transfer or restricted activity. N is obtained from the total amount of entries recorded in the Number of Cases section (H) of the OSHA form 300A.

## **2009 National AGC Safety Awards**

### **Program Description Continued**

The completed OSHA 300A Summary of Work-Related Injuries and Illnesses provides the information needed for contractor participation in the NASA Program. Days-away- from-work cases is found in section (H), fatality information can be obtained from the number of cases section (G) and the work hours can be found in the establishment information section.

### **What a Contractor Must Do to Participate:**

National AGC contractor members will receive a NASA form or application from the Builders Association. Transfer the appropriate information from the OSHA form 300A, including the work-hour data, to the NASA participant form or application and provide it back to the Builders Association by to your local Chapter by **Friday January 29, 2010**.

### **Award Distribution:**

AGC will send all Chapter and Member awards to the home Chapter for later distribution.

# 2009 National AGC Safety Awards

## Participant Form

Complete your OSHA form 300A "Summary of Work-Related Injuries and Illnesses" for 2009. Review your OSHA form 300A and note:

- Section (G) "Fatality Information,"
- Section (H) "Cases with Days Away from Work";
- Section (I) "Cases with Job Transfer or Restriction";
- Section (J) "Other Recordable Cases"; and
- Employment Information Section for your company work hours.

Report your company's numbers from the OSHA form 300A section (G), section (H), section (I), section (J) and work hours to your AGC Chapter contact person, via e-mail, telephone, fax, or mail. If using fax or mail, use this form to send the appropriate information to your chapter contact person.

1. Chapter Code and Name: 15A Builders Association

2. Company Name (as it should appear on the award):

\_\_\_\_\_

3. Contact Person (Name and Phone number) \_\_\_\_\_

3. AGC Member ID Number: \_\_\_\_\_

4. Section (G) "Fatality Information";

Number of Fatalities: \_\_\_\_\_

5. Section (H) "Cases with Days Away from Work";

Number of Cases: \_\_\_\_\_

6. Section (I) "Cases with Job Transfer or Restriction";

Number of Cases: \_\_\_\_\_

7. Section (J) "Other Recordable Cases"; and

Number of Cases: \_\_\_\_\_

8. Employment Information Section for your company work hours.

Total Company work hours: \_\_\_\_\_
