Reward Your Top Talent

Treat your project managers, field superintendents, other key employees and customers to a day of golf, excellent food and networking. To register for the event and sponsorship opportunities, please fill out the attached forms and return them as soon as possible. Sponsorships will be sold on a first come, first served basis.

Supporting Construction's Future

Since 2002, the Builders Foundation has awarded scholarships to 23 college students pursuing careers in construction. The Foundation provides financial assistance to qualified students from the Chicago area who are majoring in the fields of construction management or construction/civil engineering.
